

WHAT IS A YELLOW RIBBON CARD?

IT IS A LIFELINE—A SUICIDE PREVENTION TOOL.

It tells someone in need that there are those who care and will help!

**If someone has handed you this card,
they are reaching out for help.**

- 1. Stay with this person, they need your help! Stay Calm.**
- 2. Listen, really listen. Take them seriously! Do not put “hands on”.**
- 3. Get or call help immediately:**
