

## Transportation Levels of Service (LOS)

LOS #1	Students having significant needs such as but not limited to, medical fragility, severe behavioral disorders or severe cognitive deficits will be assigned a bus stop at the <u>closest safe accessible curbside to their home or service address</u> . However, if the IEP team determines that a student's disability warrants a different level of service, it will be provided.
LOS #2	Preschool children and students requiring the use of a wheelchair will be assigned to <u>bus stops within two tenths (0.2) of a mile of their homes or service addresses</u> . Students residing within two-tenths (0.2) of a mile of their assigned schools will not be eligible for transportation services. However, if the IEP team determines that a student's disability warrants a different level of service, it will be provided.
LOS #3	Elementary school students not requiring the use of a wheelchair will be assigned to <u>bus stops within four-tenths of a mile of their homes or service address</u> . Students attending the resident school or living within one (1) mile of the assigned school will not be provided transportation services. However transportation will be provided to student's residing within one (1) mile if the student has to cross a multiple lane hazardous road to reach the school. If the IEP team determines that a student's disability warrants a different level of service, it will be provided.
LOS #4	Middle and high school students not requiring the use of a wheelchair will be assigned to <u>bus stops within one (1) mile of their homes or service address</u> . Middle and high school students attending the resident school or living within two (2) miles of the assigned school will not be provided transportation services. However, if the IEP team determines that a student's disability warrant a different level of services, it will be provided.
LOS #5	Students who would not normally require transportation but have been placed in another school within the district to receive special education services may be assigned to a bus stop at the closest neighborhood school.
